

Lakota East Athletic Boosters
6840 Lakota Lane
Liberty Township, Ohio 45044

To Whom It May Concern,

The Lakota East High School Athletic Boosters is excited to host our 26th Annual Booster Bash! This FUNdraising event on November 14, 2026 will be held at the Boys and Girls Club of West Chester/Liberty. The Lakota East Athletic Boosters is an organization responsible for raising capital money which is invested back into the Lakota East Athletic Program to assist in keeping our school equipment and facilities sufficient and up-to-date.

Having the support of the businesses in and near the Lakota area is crucial to the success of our major fundraiser. We are looking for businesses in our area to sponsor our event, while also having the opportunity to market your business as well! Whatever you might donate meals, food, drinks, a gift certificate, merchandise, or anything that represents your company – it would be greatly appreciated. We cannot overstate how important a donation from your company/business is to the success of this major fundraiser.

With your sponsorship and/or donation, you'll have the opportunity to reach some of your local neighbors and increase the exposure of your products and services. Please see our sponsorship form for more information on the benefits for your business. In addition, we would also set out business cards or business information (ex. Menus, pamphlets, etc.) for you as well.

We are expecting over two hundred attendees at the event. The Lakota East Athletic Boosters would like to express their gratitude in advance for your help and support. Please contact the person at the bottom of this page with your donation or if you need any further information.

For your records, our federal tax ID number is 31-1754322.

Sincerely,

Julie Horton

VP of Fundraising
