**Review Meeting Minutes from January:** Motioned to pass the minutes by Dina French 2<sup>nd</sup> by Kathy Asmus. Minutes approved from January meeting. These will be posted on our website as well.

**Treasurer:** Current Assets are at \$167900 with \$37500 in liabilities. The new liabilities include items that were approved by us to purchase last month. Our January net income includes a \$30k+ loss due to the projects we have committed to. We are also slow in getting revenues from December deposited. We had a good East/West week of concessions to boost concession sales. Matt is getting everything ready to get our taxes done now as well.

**Concessions:** Things continue to go well although it has been slow over the past week. We have dates available for teams to work during the girls basketball playoffs. See the attachment at the end of the minutes if your team is interested in working. February 19<sup>th</sup> is also the gymnastics district meet with over 150 gymnasts competing. A large order of pop was just placed as we will be providing the pop for the Baseball Spaghetti dinner fundraiser. Have we paid all the teams for concessions worked during the fall? Cindy gave Kevin a list of who needs to be paid. The new candy distributor is working out well so far too. Discussion held on where we may be able to get a hot chocolate machine from. Nothing was finalized.

**Spirit Shop:** \$1500 in sales in January. This will be the last month for home basketball games. Kelli is placing an order for a few spring items. **We are looking for someone to take over the spirit shop next year.** Please let Kelli know if you are interested. We may also be able to be open for some of the larger track meets this spring.

**Membership:** We have no new memberships this month. Cheer, Dance, Gymnastics and Girls basketball have all reached 50% membership and will get \$500 from the Boosters.

**Team Reports:**

**Dance:** Their competition this past weekend was cancelled due to the weather. They are waiting to hear if the tapes sent in will be accepted to get them into the State competition on February 26<sup>th</sup>.

**Cheer:** Senior Night is this Friday 2/11. They had a successful Split the Pot and will be doing it again this Friday. JV cheerleaders were hit by covid this month.

**Wrestling:** No rep or report.

**Boys Basketball:** The Varsity team is currently 14-4 overall and drew the #6 seed in the tournament. They play at Mason tomorrow night and will host Hamilton for Senior Night on Friday February 11<sup>th</sup>. The first tournament game is against West Clermont at West High School on February 19<sup>th</sup>. Potential opponents further on in the tournament are Winton Woods, West and Centerville. JV and Freshman continue to have winning seasons and are doing well as well.

**Girls Basketball: Freshman/JV2** - Ended their season on Saturday with a win against Colerain. Finishing out the season with an 18-4 record overall and a 11-1 record in the GMC. They had continued improvement both individually and collectively all year. **JV1** - Ended their season on Saturday also with a win against Colerain. They finished the season with a 20-1 record!! Only loss was to Princeton early in the season and they came back and crushed them last weekend. A tremendous season for this group of ladies. Couldn't be more proud of our JV teams!!

**Varsity** - Finished up their regular season with a win on Saturday against Colerain. Great way to end the regular season as we lost to them in the first match up but came back to beat them on their home court. We are heading into the GMC tournament seeded #7 with a game on Wednesday 2/9 against Seton at Harrison High School, game time is 6:00 pm. Season Overall record was 12-9 and GMC record 10-6. Varsity girls are working hard and hoping to get farther in the tournament than last year's Sectionals victory. Go Lady Hawks!

**Swimming/Diving:** GMC meet was held recently. Mason won both girls and boys championships. East boys finished 4<sup>th</sup> and East girls finished 6<sup>th</sup>. They are competing at Sectionals this weekend at Princeton High School. They were also able to hold Senior Night recently.

**Misc.:** Boys volleyball got the equipment we approved last month already and is already using it. They are very happy and appreciative! Boys volleyball also became an official OHSAA sport in January.

### **Team Requests:**

Gymnastics – East is hosting the District meet on February 19<sup>th</sup>. It is an all-day event with over 150 gymnasts and spectators expected. The gymnastics team will be manning the concessions

stand and has done a sign up for volunteers and more healthy options to be brought in to sell. They are requesting \$300 to cover the cost of providing a lunch platter to feed the coaches and judges. Vote taken and unanimously passed and approved.

Concessions – The beverage cooler being stored in the hallway closet is not in good shape. Many of the shelves are broken. This is a Dasani cooler and came from Coke when we still had a Coke contract. Matt and Kevin will check with Pepsi, Dave Emrick and Matt Opp to see how we can get a better functioning cooler.
