Please join us in doing your part to ensure that Lakota East Athletics will continue its proud tradition. Your donation is 100% used to support the student athletes at Lakota East High School. The Boosters have been instrumental in the development of the athletic complex and renovation of the existing athletic facilities, all with a goal of supporting our student athletes. They have helped in the rebuilding of the Stadium Gate Entrance/Spirit Shop, Sound Systems for the Gym, Stadium, Baseball and Softball Fields, as well as new Scoreboards for the Baseball and Softball Fields. The boosters donated new weights to update the weight room, provided new Soccer Goals and also Volleyball nets and a Trackman for the Golf team. The biggest ticket item was the purchase of the Athletic Commuter Vans.

#theEASTway

- This needs to be ingrained in every aspect of our culture, both athletically and academically.
- Respect, communication, professionalism, taking care of our facilities/ cleaning benches, politeness to hosts, sportsmanship on the playing field, how our athletes act in the classroom, etc.
- Fan/Parent behavior
 - Model behaviors you would have your own children adopt, both in and out of the competitive arena.
 - Behavior deemed inappropriate will result in dismissal from the event and possibly not permitted to attend future Lakota events.
- Hawks for the Cure, Dragonfly, Relay for Life, Judy Buckenmyer Food Drive, etc - get your teams involved in these philanthropic events!
- Encourage support of other East athletic teams, performing arts groups, etc.
