

The Lakota East High School Athletic Boosters, in cooperation with Liberty Center Mall, is holding our 5th Annual **Liberty Center Fall 5K** on Sunday, October 10th, 2021. All proceeds of this event support the LEHS Athletic Boosters, which is an organization responsible for raising money that is 100% used to support our student athletes. This program assists in keeping our school equipment and facilities sufficient and up-to-date. Simply put, "Keeping the Hawks in the Game."

During the event we have over 400 runners and spectators running/walking throughout Liberty Center and sticking around the area for a cup of coffee and breakfast after the event. This has been a great opportunity for Liberty Center businesses to share their store with local patrons. In addition, having the support of the local businesses is crucial to the success of this event.

We would love to have you as a significant part of this event and participate by providing SWAG bag items (we would love coupons for our participant SWAG bags), post-race raffle items, and cash sponsorships. Each race participant will receive a T-Shirt that will include the sponsor names or logos on the back of the shirt (sponsorships/logos must be received by 9/19 to be on the t-shirt).

The two levels of sponsorship are:

- Silver - \$100 sponsorship, equivalent items for the swag bags given to each runner, or equivalent items for the after-race raffle. This level would include mention in all advertising and a small logo on the race t-shirt.
- Gold - \$300 sponsorship, equivalent items for the swag bags given to each runner, or equivalent items for the after-race raffle. This level would include mention in all advertising and a large logo of the company on the race t-shirts. If you would like a booth the day of the event to display or sell merchandise that can also be arranged.

*booth will include 10x10 tent, table and linens. Certificate of insurance is required.

The LEHS Athletic Boosters would like to express their gratitude in advance for your help and support.
